Playground Update

The playground project is currently in the concept phase and is awaiting grants to proceed to the construction phase. Currently, all donation recognition projects are on hold due to logistics and regulations – more information will be provided as it becomes available.

Security Update

A community meeting was held in February with an EPS constable to inform residents about what they can do to improve community safety. Some of the suggestions included:

- If you see suspicious activity, call the EPS non-emergency line to report it (780) 423-4567
- Always lock your home, vehicles, and garages
- Keep valuables out of sight
-

Always contact EPS first if you have any concerns related to community safety. If you have a security issue you'd like to post to the email list, please send it to Lansdowne.safety@gmail.com.

NEIGHBOUR ANNOUNCEMENTS

As a part of our new newsletter, we'd like to provide an opportunity for residents to connect to one another.

Do you have a service you'd like to offer to Lansdowne residents (babysitting, tutoring, music classes, dog walking, lawn mowing, etc)? Are you looking for someone to provide a service you need? Looking for a running buddy? Selling an item you'd like to keep in the neighbourhood? Contact the newsletter **by April 15th** to have your information/request added to our next monthly issue.

Please note that this posting opportunity is only available to those who are currently Lansdowne residents.
